“ I loved Mrs Barber so very much.. It was a great honor and privilege to have taken care of her. Everyday I looked so forward to seeing her smiling face. Soon as I knocked on her door.. She said come in here baby...we would talk and talk.. She never failed to tell me she loved me.. And I told her daily how much I loved her!!! Heaven gained an angel!!

“ I just now realized who this was. I spent many of my high school days at the Compton home My first cousins, Ken and Paul Smith and Doyle Bassett were big rodeo buddies of R.M. Compton. Along with Debs Hunt, Dan Brown, and others. I was "crazy 'bout the rodeo" then. Patsy and I had many good times, but Dorothy - big sister, was always there

to keep us in line. She managed the Reagans store in Henderson and was so good to me (let me put items on lay-a-way all the time).

I am so sorry for your loss as I know you will all miss her. She was a leader!!
