“ To the family of Dorothy Lowe.

Patti Felici we've been deeply saddened since hearing the news about your mother. We extend our deepest and most sincere condolences to you and your family. Your mom would call me up just to talk and I enjoyed hearing her jokes. Before hanging up she would ask how the kids were and she would always say "Yaya, you and Frank I have always considered family and your children are my grandchildren" and would say, "I love you."

These words remind me of your mom:

Don't remember me with sadness, Don't remember me with tears, Remember all the laughter, We've shared throughout the years. Now I am contented that my life it was worthwhile. Knowing that I passed along the way I made somebody smile. When you are walking down the street and you've got your mind on me. I'm walking in your footsteps only half a step behind. So please don't be unhappy just because I'm out of sight. Remember that I'm with you each morning, noon and night.

RIP beautiful now you're home with our Lord God and your beloved husband Johnny.
