“ Sending my love and prayers for the family this morning. I was honored to be her pastor and friend when I had the privilege to serve at St. Paul's in Henderson. She was always supportive and encouraging me as our church secretary and as my sister in Christ. Praying for the peace of Christ to surround her family and friends as they celebrate her life. “ Perry and Corey, and Family,

Although I only knew her for a short time, I remember her soft spoken voice. Perry we are praying for you all and words cannot describe what you are going through. Just know we love you and we are here for you and with you all the way. it will get easier over time.

as the days go by you will be able to put that smile back on your face as you go thru the days you will be reminded of small things that will bring a small tear and a large smile to your face as you think of things she said and did. Just always know Our Lord will never leave us nor forsake us. Our God is awesome God, and as hard as it may seem here on earth, she is looking down on you and she is never more than a thought away from you!

I know she will be missed tremendously but will never be forgotten. Ms. Dorothy, you told me to keep him in line but don't be too hard on him, I promise I will make sure he is okay. I will make sure he stays strong and he will have you also tugging at his heart strings when he thinks he is going to get out of line!

We love you and are here for you if you need anything! Although our lord has ransomed his child home with him, her Chains are gone and she has been set free. His mercy reigns like a flood and he loves us always and prepares a place for us.
