Tony, I know my mother loved you, too. Your family has always been a part of the Sears family...from the time you were born. My mother and your mother and daddy go back as far as I can remember. It meant a lot to her when you visited her. She never forgot you. Sandi

I am so thankful to God that he allowed me to hold you as you slipped from this physical world into the arms of our Lord Jesus Christ. I miss you so much already, but I am truly happy that you are Home. I'm content because I know how this story ends ... We will all be together again someday. All my love, #4 Sandi*
