“ Dot was someone whom I looked up to, and admired. When I was a child, she and Wayne were my "Dale Evans and Roy Rogers"; they represented integrity and appreciation for life and for those of us fortunate to have them in ours. I never see a vintage Thunderbird, that I don't remember Dot's "Yellow Bird". And whenever I see a pair of high heels, I remember her "Springolators". The thought of she and Wayne will always bring a warm feeling to my heart.
