“ What a wonderful blessing Dorothy was in my life. There isn't a time I can ever recall growing up that I did not feel loved by her. Even though she was already grown, married and had children of her own when I was born, she still managed to find time to be the best sister to me that she knew how to be. She always found time to care, to cherish and to nurture Sissy and me along her life's journey and ours as well. I will always remember her love for God and the deep faith she had in Him, her love and devotion to family and friends; especially when it came to her children, and the continuous thirst for knowledge and adventure she was so willing to share with others along life's way. What a truly wonderful grand lady she was and I will truly miss her with all of my heart. Nan Jenkins Wilson

“ I wanted to extend my sympathy to the family. I was an employee of Mr. and Mrs. Hines when I first moved to Henderson area with my husband. They were my model for professionalism. When I first started to work with my husband, I would and still do think back on how Mr. and Mrs. Hines handled working together. Mrs. Hines was a lady in the truest sense of the word.

“ There are just not enough words to say about Dorothy - such a loving, wonderful, and fascinating person, a joy to be around. She had such a brilliant mind and was ever so willing to share her knowledge, her warmth, her many talents, and kindness to all those around her. She was never too busy to make you feel special and to make you feel welcome. She was devoted to her family and friends, always thinking of others first. I am very thankful and proud she was my sister. She will be greatly missed and will always live in our hearts. To her children and their families, you are in my thoughts and prayers, as I know you all loved her so much. I know this is a very difficult time for each of you. I love you and pray for God's comfort and peace to be with you all.

“ Georgia, So sorry to hear the news of your Mom. Your Mom and Dad were always so kind and helpful to me when I moved to Henderson. I hired them to do the first audit work at First Baptist and were a pleasure to work with. They truly helped many residents of our county with their accounting needs as well giving sound advice to them. Sharla and I are out of town and can not be there for the funeral. Please know our thoughts and prayers are with you and your family. I have enjoyed and appreciate mine and your professional relationship. Milton and Sharla
