“ I met Mr. Doyle while working for Verabank in Overton many years ago. We became friends there. He had an infectious smile and hearty laugh. His beautiful and kind wife also became such a a good friend. Marcy and family will be in my prayers for when there is much love, there is much loss. Rest in God's presence, Mr. Doyle!!

“ I will you miss you much my friend and having the opportunity to have coffee with you and catch up on things. Many memories were made with Doyle on the golf course, a very thoughtful and always with a smile. I will never forget (or forgive him) for the nice "rock monument" built along the ponds edge where my 8 iron unfortunately found it's way into. Peace and comfort to the family, we love you guys!

“ *Played golf with Doyle quite a bit for a number of years. Good player, always fun to be around, always had a good attitude. Always willing to help out when something was needed...for example, helping Fred Weiterman work on equipment or sprinkler system at the golf course. Always got a kick out of Doyle and Fred each telling the other one what an idiot he was (while working on something together), but it was all good natured and in jest, they were good friends and really liked and respected each other. I'm not aware of anyone who didn't like and respect Doyle....he'll be missed by many. Praying for the family.*

“ I am so sad to hear of Doyle’s passing. I am thankful that we were able to all be together to visit at your home a couple of years ago. We had so many wonderful times together when Melissa was only a baby. I will be praying for God’s strength and comfort for all of the family, and my dear friend, Earline. I love you much.
