

Dr. Alfred E. Morris

November 21, 1923 - January 20, 2012

Memorial Services for Dr. Alfred E. "Son" Morris, 88, are scheduled for 2:00 P.M. Tuesday, January 24, 2012, under the direction of Crawford A. Crim Funeral Home at First Methodist Church in Henderson, Texas with Dr. David Luckert officiating. A reception will follow in the church parlor immediately following the services. Our Daddy passed away Friday, January 20, 2012 in Henderson after a courageous battle with Parkinson's disease. He was born November 21, 1923 to the late Otho and Lavie Harper Morris. He attended Laneville School and graduated from Henderson High School in 1941. He was sworn into the Army in 1944 during WWII. He served in Germany where he rose to the rank of Sergeant First Class in the 14th Armored Division and achieved the status of Sharp Shooter. After his military service, he attended Kilgore College where he met his wife Mary Cheek. He went on to North Texas State University and received his Medical Degree from Southwestern Medical School in Dallas, Texas in 1954. After receiving his medical degree, he completed his internship at Parkland Medical Center Dallas followed by a Residency at Baylor Medical Center in Dallas, Texas. He was a member of the American Medical Association as well as the Texas Medical Association. Before his illness, Son was an avid hunter. He enjoyed his annual pheasant hunt to South Dakota with many special friends. Daddy loved his many cars. Whether he was polishing them daily, driving them too fast, or restoring them, including his prized 1953 Hudson, which was featured on the cover of Classic Auto Restorer Magazine. He also looked forward to his monthly lunch date

with his high school Class of '41. Our Daddy was a man of honor and integrity who was admired and respected by his girls, his patients, and his peers. He humbly devoted his life to the care and well being of others, and particularly enjoyed watching the many babies that he delivered grow into adulthood. He also had the privilege of delivering the first set of identical triplets born in Henderson. He was preceded in death by his parents and his infant twin daughter, Maria Eugenia. He is survived by his wife of 61 years, Mary Cheek Morris, and their daughters: Leigh Ann Morris of Henderson, Melinda Denson and her husband Mitchell of Tyler, Jennifer Thomas, and Suzanne Dotson and her husband Hardy of Henderson; grandchildren, Morgan, Mallory, and Mason Denson, Taylor and Kelsey Thomas, and Nolan and Conner Dotson; sisters Helen Markwell and husband, Ken of Memphis, TN, Dorothy Baker and husband Ross, and Bettie Ann Purdie all of Houston; also several nieces and nephews. The family wishes to express a heartfelt appreciation to his loving and dedicated caregivers: Lynette Sheppard, Rhonda Smith, Tammie Johnson, Alice Wiegman, and Christy Freeney Henderson. Without them, Daddy's journey would have been more difficult than it was? We love you, Girls. We would also like to thank Emeritus of Henderson and Gail McGaugh of Hospice of East Texas. Memorials may be made to the Bethel Cemetery Association Fund at 4467 CR 314 S., Henderson, TX 75654, and/or the First United Methodist Church, 204 N Marshall, Henderson, TX 75652. Condolences may be made at www.crawfordacrim.com

“ We are so sorry for your loss. Dr. Morris was such a fine man and doctor. He was so good to the Green family and touched a fourth generation before his retirement. Joe Dan's mother (the late Marilyn Brown) also had the privilege to work with him at HMH for many years. Our last memory of Dr. Morris is when Suzanne brought him to my grandfather's (the late Homer Green) visitation. A special memory of watching he and my grandmother both in wheelcharis sit and visit. We will always cherish our memories of Dr. Morris and will never forgot all that he did for us. Keeping all of you in our thoughts and prayers...Joe Dan, Margaret (Green), Eric and Evan Brown

“ As stated by others Dr. Morris was my childhood doctor. Seeing his face looking down at me when I was hurting so with the flu, I knew what was coming...a shot. It always did the trick! This was in the day of house calls too! He will be missed, but he's seeing after things now in beautiful pastures and fields!! And, of course, smiling with that gentle smile I fondly remember!

“ *I will never forget Dr. Morris. He took care of me when I was pregnant with my firstborn son, Eric. When he first saw me after the C section he said he had signed Eric up for the Dallas Cowboys because of my baby's wide shoulders!! His humorous ways made going to the doctor sort of FUN! LOL! My mom talked to Son not too long before she moved to Dallas. She always thought the world of him, too. My prayers are with you all at this time. "I am the Resurrection and the Life, saith the Lord."*

“ To the Morris Family- I am so sorry for your loss. Dr. Morris was indeed a man of wit and integrity. He delivered myself, my brother and my daughter Kim- almost 30 years ago. In addition he was my family physician for as long as I resided in Henderson. He never failed to ask about my family when I saw him and had a genuine compassion for the profession he chose.As someone stated earlier- he is the LAST of his kind. May God Bless you all and sustain you in the days ahead.

“*I am at a loss for words to see that our dear Doctor Morris has left this world. So many memories flash back through my mind. All good ones. He was my personal physician and I also worked with him at HMM for years. He said exactly what was on his mind and didn't mind sharing it with anyone. He marched to his own drummer... carrying that black bag with him with each step. The world is a sadder place without him in it. PLease accept my sincerest condolences. He will be greatly missed. One of a kind and the LAST of his kind! Sincerlely, Robin Arnn*
