“ Our thoughts and prayers are with Doc's family, such a wonderful, kind and gentle Christian man. I will always remember when Doc would drop by the church office and let me know how everyone was doing at the hospital. That was one of the many great things about Doc Phillips, he visited everyone in the hospital, not just the members of South Main. For all the visits he made, a wing of that hospital should be dedicated to his memory of service. Many have been blessed by his kindness, what a wonderful example and legacy for his family and friends.

“ Dr. Phillips was a great vet and a good man. He saw my children's dog on an emergency basis when it got a bone stuck in its throat years ago. When we asked how much we owed him Dr. Phillips said we owed him nothing. He said just the smile on my children's faces was enough pay for him. What a man he was! Sincerely Billy F. Martin

“ What a kind and caring man Hugh was. He took great care of our animals over the years....even the really loud, screaming Siamese cat. He watched over mother during her later years and we always knew a visit from Hugh would brighten her day. May this sweet man rest in peace and may his family find peace here on earth.

“ Jo and Melanie: Dr. Phillips meant a lot to me. He took care of my best friend (little dog Bootsie) when I was young and he trusted me enough as a teenager to let me chauffuer the family so many times to Johnny Caces for Friday night dinner when I dated Melanie. He had such a sweet spirit - I will miss him. You are in my prayers!

“ Jo, Melanie and Family, My thoughts are with you at this time. Hugh was respected in the community and the church. His spirit of goodwill was experienced by those who knew him. His many visits to the hospital, nursing homes and homes were appreciated and uplifting to those who felt the blessing of his genuine love. His life was the Christian example we strive for each day. To follow in his footsteps is indeed a challenge.
