“ We have so many great memories with Butchie, ever sense we were children. Fun dinners at Texas Roadhouse, breakfasts at Ihop, the year we got him a bird for his birthday! He loved that birdy so much! Butchie had such a sweet, gentle, kind soul. He will be missed, but he will always be remembered. We are all born to die and dying to live. I love you Butchie!

“ Although I had never met Butch, I can only conclude that he had the same loving soul as his mother and siblings. I know families share a special bond and please know that I too am mourning because my extended-family has lost a brother...a son...an uncle. I lift you up to Jesus during this difficult time and pray that you will be able to find the strength to celebrate his life and smile over shared memories. Love to all, Denise, John & Jonathan
