“ Carol and girls. I'm so very sorry about your dad. I was so honored to get to be part of his life and he in my life also. He was like my adopted daddy. I could always count on him to be my bingo caller and he would always make time for me if I needed to talk and give me a big bear hug which I loved. He was a great man who loved his family he would always talked about them and would always brag about his grandkids. Heaven gained a beautiful soul. Mr. Roberts will me missed dearly. God Bless
