“ Ed was a dedicated trainer who loved to help young drivers learn the profession. Our training department was fortunate to have Ed as a trainer. May God bless the family during your time of grief. Please know that many people at USA Truck have good memories of your father.

“ I served in the U.S. Navy and always looked forward to Ed stopping by my office and reminding me that he had done the same but he was in the "men's division" of the Navy otherwise known as the U.S. Marine Corps. We would share a good laugh and talk about current events. Ed served our country honorably and as we were lucky to have him as part of the USA Truck family. Our thoughts and prayers are with you. He will be missed by many.

“ I have never met such a caring and loving person as Ed. Words can't express how much he meant to me, how often he made me laugh, and how he guided me through many tough times. He was like a father and best friend, always wanting to be the one to put a smile on your face. To the family and other ones I knew that he loved, stay strong because that is what he wanted. I am here if anyone needs anything. Amy Douglas
