“ *Ellen and I worked next desk to each other for 4 years at Trinity Clinic Business Office in Tyler. We were known as the 'Hat Ladies' because when we went on break, we wore straw hats with big flowers on them. We loved to catch the Trinity Mother Frances helicopter landing or taking off and we were told that the crew looked for us. We had fun times together at work and after work. She was a sweet lady. “ Ms. Ellen was apart of our life group. She has blessed me with talking about her big dog because we had a big dog. She just enjoyed our animals. She was cute, on Sunday morning she would come to to church with Jim and Tracie and she would be waiting while they were in pre prayer, she would hide in the bathroom because that was a warm place for her. If you sat in there with her you could have a great conversation with her. I will truly miss her. I m so glad that she will be in Heaven.
