“ Was so sorry to hear about Elsie. She always was glad to see me when I visited my aunt on Richardson Dr. We enjoyed talking about the family and sharing memories of Miss Annie when Judith and I visited at Miss Annie's home years ago.

“ I have just learned that Aunt Elsie had died. I was very shocked. Her first husband Archie Ray Pool was my Grandmother Phenie Mocks' brother.

“ To Pat Pool Welch, I am sorry for your loss of your mother. Our mothers were the same age and Hendersonites all their life and even lived just up from each other. Henderson, a good place to be from but since I lost my mom a year and half ago it doesn't seem like home anymore. I missed seeing you at the 50th. class reunion. Always thought of you when I would drive mother around to see your Christmas decor. Always so pretty. I miss all that but life goes on. My son was killed in a motorcycle accident 1-30-10 and now my husband has been in hosp. for 11 days, post lung surgery. My daughter and family is in FL. on vacation and I am enjoying my 3 grandsons and still on the farm and ranch in West Tx. The cotton is beautiful this year. Your mother was a very special lady and I am thinking of you and praying for you and know your love for God will comfort you and bless the days ahead.

“ Pat et al., I was very saddened by Elsie's passing as I have known her my entire life. She was one my favorite people to come see when i would visit Henderson as a child. I will forever cherish the memories of her, Bud, Aunt Annie/Uncle Lonnie, and Sherril. Hard to believe they are all gone. The hill off of Evenside will never be the same, nor will any of us with Elsie's passing. I am so sorry I will be unable to attend the funeral as I have committments I cannot escape here in San Antonio on Saturday. Best wishes and my deepest condolences.
