“ Dear Sweet "Emmee", Thank you for being the best neighbor any kid could have. You put up with all of my fun and never complained. You provided me with a steady diet of lemon drops....the best ones in the world to be exact ...and always knew when I needed a few extra :) With your kindness and generosity, you helped mold me into the adult I am today. I am sad for us but happy for you as you are now with sweet Clyde. I know how your heart ached when we lost him and the thought of you two together makes me smile. You will be missed. I love you.
