“ *Mr. Pannell, I would like to extend my condolences to you and your family. It was a honor to be able to care for you wife and a priviledge to know her for such a short time. I was honored to be just one of the many nurses to care for her. May the Lord wrap his glorious arms around you and your family through these times of saddness and guide you, for her pain and suffering are no more, but the grief still remains and she will be missed dearly.*

*“ I pray that the peace of knowing Mickey is whole again, and basking in the light of Jesus, will lead ou through the days ahead. When I first came to Emmanuel, Micky was one of the ladies that welcomed me, and helped me through the transition. She always wore that smile that made me feel at home. May God bless and lead you,Evelyn Appelbee*

“ Bill, I am so fortunate to have have had Mickey and still yourself as a part of my life and most importantly Clay's. I hold many fond memories through the 35+ years with me of Mickey as well as both of you. I am especially grateful to have had the times shared with Mickey and yourself since my parents passing. As I told Mickey during one of your visits to Cedar Creek, "you and Bill are the only Parent's that I have left and appreciate that fact." The most special of the last memories I have of Mickey are the visits with her in Oklahoma and at Cedar Creek. It seemed like a joyous time that she had when we viewed the "...on the road again" family home movies together. I know I had great time! Mickey will always be with us in spirit and through our thoughts. My prayers are with you and the rest of the family at this difficult time. This brief eulogy is written with much love I have for Mickey and how important she was to me and mine. -Forever her daughter-in-law, Cindy Pannell Gibson
