“ Sympathy to all; quite a lady who shared the family trait of perseverance throughout life. My Dad loved you all as we do and I am sure he would send his best.....many memories, of childhood visits and stories told by dad who was much older and remembered all as babies.....stories of Justin; he and Andy taking train from FT Worth to visit Ava,Louise,Eldon, and of course, Grandpa.....made the times alive to drive in the small town with him.
God Bless and keep you all.....Charles Hunter
