“ I've had Aunt Gertrude in my prayers and memories for some time now. She was so special to my family. My mom, who passed away last summer with Alzheimers, struggled with memory - but she would always remember Aunt Gertrude every time I mentioned her name - and talk about some fond distant memory they had shared. They were close - she even kept my older sister while mom was in the hospital delivering me. It is comforting to know they are together again with my dad U.E. (her brother). So wish I could be there. Love to all - Jim Copeland
