“ *I didn't know Mrs. Clark that long, but I had the pleasure & honor of meeting her through Matt & Ashley. I enjoyed her company & conversations @ the birthday parties & baby showers. she was truly a dear sweet lady. I also had the honor of taking care of her, while she was @ HHRC. The nursing staff & CNA's really loved her & loved her stories that she would tell. She will be truly missed. I know she will be deeply missed by her family & all that had the honor of calling her friend. I'm glad I got to know Mrs. Clark. To Linda, Becky, Matt & Ashley, our prayers are with you! Just remember, she finally got the wings she deserved, now she truly is an "Angel."*

*I remember when we stayed all night with Eva Mae and Patty, when we were young and we cooked up all their Momma's sausage. I always thought I would get back to Texas to come see her at least once before one of us went to meet the Lord, it just didn't happen. I am sure going to miss her and praying for all her family I know they are hurting. She is loved greatly and greatly missed.*

“ *I remember the joy when Eva knew that grandbaby was coming into this world, After Robert and Joanna first told them the news!!! And to see Gods miraculous hand doing things in her lifetime, she knew the God she served, what a great legacy to leave behind, the legacy of a real fear of God, and the desire to have a true relationship with him. Our condolences for the loss of this woman of God, and what a treasure to know there is a reunion in Heaven right now!*

“ *I will always remember the last half of Kindergarten that I lived with my granny. My mother was transfered within her company and she didnt want me to be transfered so far into the school. So granny let me live with her and every morning she got me ready and sent me up to Curtis's house to be put on the bus. Every afternoon I got off the bus she would have me a goober grape sandwich ready to eat and after school cartoons to watch. Every Saturday morning she would wake me up to watch Winnin the pooh and the rest of Saturday cartoons. And I remember watching my favorite tv show back then "MacGyver" while eating her beans and cornbread all mixed together with ketchup. I love you granny and will forever miss you. Now be with your boys again. We will see you again one day.*

“ *I miss loading all of us cousins up in that red station wagon and heading to Vacation Bible school. I was just saying to Kristen the other day about when Uncle Harlan told Nathan to go play in the road and he said, "No, Aunt Mae Mae will run over me." They always picked on her about her driving, but she took like a trooper.*
