“ Family,
I'm sorry for your loss. Eva Jean was so good to me when I lived in the other half of her duplex. Mrs. Efficiency! Anything that needed done got done on her schedule of NOW.
She enjoyed and complimented me on the gardening projects I did outside, my favorite place. I teasingly told her once that with working full time and raising five kids, she might have enjoyed it in her free time. "There was NO free time!" she said.
I was in a good place with a good neighbor and friend who took care of me too.
