“ So very sorry about your mom! I always called her "Mom" cause she always treated me like I was one of her daughters. She was very dear to me. Blessings to Debbie and Linda as they enter into another chapter of their life here on earth and until they join their family with the most awesome chapter yet to be!! Your mother and daddy loved both of you so very much and they want you to rejoice in the fact that they are together and someday you will be with them in Heaven also!!
