“ *I spent many hours having fun on Colonial Drive in Henderson many years ago and Aunt Frances was the BEST when it came to patience with a houseful of kids at the same time!!! Those truly WERE the good ol' days when I was growing up. My sincere condolences to the entire family and my thoughts and love are with you all during this sad time. I'd like to think Aunt Frances is having a wonderful family reunion right now with all those who have gone on before her and we'll all see her again some day.*

“ Jim, Sue and Family,As you know, Frances was one of my "adopted" homebound ladies. When I stopped in to check on her, Dottie Nail, and Mary she would see me in the parking lot and beat me to lobby. She was always ready for a visit and always had that big smile. When she was no longer able to come to Church we all missed Frances -- she was one of the faithful at Trinity. God Bless you all as you celebrate the life of a great christian lady, who has reached her goal to see Jesus.

“ I met your Mother a year ago 12/27 when I went to work at Autumn Leaves Nursing Home. She "accepted "me right off. She had a way of making me feel "special".She could flash me that sweet smile and/or that twinkle in her eyes that made me want to do "whatever" she wanted me to do.It has truly been my pleasure to be a part in taking care of your Mother. I will miss her. My prayer goes out to you that you will have the strength, courage and faith to go through this "time".
