“ Dear Randy,I have many memories of Francys, we rode to work together at Overton Hospital, and then later at HMH. She was a very cary nurse, but full of spit and vinegar, and told it like it was. She was always eager to share her knowledge and help others. Rest assured she is at peace watching over us all. I will keep you in my prayers.

“ To the family of my Friend Francys: So sorry to hear of her passing. Words cannot express the sadness I feel at this time. I attended Nursing (LVN) training with Francys in the late 60's and worked with her both at Overton Hospital and Henderson Memorial Hospital for a number of years and have been under her care many times. She was a gift from God to many people, and I am sure you all realized that. She will be missed greatly by all. Her best medicine was her laughter and wonderful smile. May she rest in peace knowing she passed this on to you all as you are such a great family. Be Strong, stick together and God will comfort you. Love your friend Donna Boatwright Saffell
