“ *I would like to let all of the family know, that it was an honor to take care of & to know Mrs. Frankie. I was priviledged enough to be a part of the care team for her during her stay @ the nursing home. She was a welcome sight @ the beginning & ending of my shift! She always lit up the room with her smile as I entered to say "hello" & to check on her. I come to know some of the family in a couple of years, and my prayers are with each of you in your time of need. There is one thing that I always say to my residents before leaving & I would like to tell her now..."May the Lord keep you safe, till I see you again!" She will greatly be missed by all that come to know her!*
