“ *I'm so sorry to hear this. Fred was a roommate to my brother in Phoenix when he was running Halfway homes in the area. They both grew up together in Eloy and went to High School together. Fred also hired me to run the Recreation Programs at the Prison in Florence years ago. I looked at Fred as an inspiration and great man. My brother who also passed away June 21, 2019 loved Fred and often spoke of him and tried to keep in touch with him as much as possible. It was difficult at times when Fred left Arizona and went to Texas. Fred was full of wit, compassion, and care for others, but he didn't take any nonsense from any one. He will be truly missed by me as he was a friend and brother. May God bless this great man.*
