“ Fred kept the golf course at Overton going through the years. I last worked with him on the Overton 150 Golf Tournament last fall. He had high hopes for the future at that time. He got to see Blaine and his partners win the championship that day. He will be sorely missed and impossible to replace. I hope we can have a local tournament in his honor. Special condolences to Blaine and Heather and family. He will be missed.

“ *What a great friend and great man. Men like Fred are very few and far between. Freddie, you'll be greatly missed my friend. I'll miss calling you "Frieda-Jack-Weederman".....and I'll miss getting called a certain derogatory name by you innumerable times! To Blaine, Heather and the entire family, our hearts and prayers are with you.*

“ To know him, was to love him. I don't think he had one single enemy or someone that could say something negative about him. From taking the girls fishing, to making makeshift potty chairs for the pasture for a potty training 2 year old, to Barbies and so much more...he was the absolute best. The best Da there will ever be. We will miss you so!
