“ *Kathleen, & Family: We are so sorry for your loss. Gary was a great friend, boss, coworker. We loved him, he was such a great man to work with at Henderson Brick & Boral. We went thru alot of changes with each other and he was always there to help anyone in need. Once Jim left the brick plant and baught his own truck I received a call one morning from him and he said " I am broke down and you need to call Gary for me and tell him what my truck is doing and if its the alternator he will let you know." well it was and we swapped them out and i took the broken one to him and he had it fixed within a few days. He was the best. Always smiling and always a kind word to us. We love you Gary !!! Gone but never Forgotten!!!! May the Lord hold you and your family in his arms of grace & peace. For he has called another Angel home!! Peace, Mercy, & Grace.. Glory be to God!*
