“ *Gene was a wonderful person and friend. I went to school with Gene from the 1st grade through 12th. We lost touch as I live in Dallas but reconnected on Facebook. By all of his posts it was obvious how much he loved his family. It was also obvious how much he liked to travel. He enjoyed life. Gene will be greatly missed.by everyone who knew him. I hope that his family finds comfort in the wonderful memories they made with him.*

“ *I have such great memories of Gene during our school days from 1st-graduation. We had a very close class and most of us have stayed in contact throughout the years. Gene was one of the nicest, kindest kids, teenagers, high school students, and men I have ever met. He will be greatly missed by all who knew him. I pray that his family can find the peace and comfort that they need through God and the wonderful memories they have as a family. Sharon (Hall) Moyers*
