“ *Mr. George will be remembered as a man that loved bring smiles to others. He always had a way to make others feel special and loved. Whether we were discussing the Aggies, his grandchildren, politics, happenings in the community, the cattle market, or stories about him growing up, living next my dad, we shared laughs and he left lasting impressions on my life. My prayers are with Mrs. Marty and family.*

“ We are so sorry for your loss. We all lost a good friend. We will miss George Vernon’s wealth of knowledge about every place and family along the back roads of Rusk and surrounding counties. We loved to visit or ride around with Marty and him and see what was going on. He had a great memory and would tell things he knew or had heard; Who lived here and where they came from, or maybe where they went. All that information contributed to local history and what we speculated might be happening in the future. He saw the big picture and had a lively interest in it all.

“ Oh, the memories I have of Mr. George, from the auction sales, the hamburgers in the backyard, my first trip to the State Fair of Texas, to the visits in the family room/den. He was such a wonderful example and inspiration for me. Whenever I saw him he always had a hug 😊. Praying for his entire family.
