

## Ms. Georgia Ragan

September 12, 1969 - May 16, 2024

Ms. Georgia Ragan, 54, of Oak Hill, passed from this life on May 16, 2024, at her residence. She was born September 12, 1969, in Longview and settled in Oak Hill five years ago. Georgia had worked as a construction handyman but was really a jack of all trades. She was a farmer, gardener with a true green thumb, and loved horses. Georgia spent the last several years as a caretaker, living close to and caring for a good friend in need. Ms. Ragan was an outdoors person and truly had an untamed soul. She also attended Bar None Cowboy Church and enjoyed lifting her voice in praise when she was able to attend church.

She was preceded in death by her father Bill Moore, mother Diana Todd, and sisters Mary Grace Moore, Kerry Lynn Moore, and Kim Harris.

Survivors include her children, Erica Gildon of Taylor, Arkansas, Holly Gildon of Henderson, Casey Gildon of Minden, Louisiana, and Nolen Ragan of Kilgore; sisters, Teresa Peace and husband Dewayne of Carthage, and Traveleena Meadors of Lake Murvaul; grandchildren, Kailyn, Case, Jaci, Jason, Christopher, Olivia, and Payton; as well as a host of nieces, nephews, other family and friends.

“ My momma was a gypsy soul who never met a stranger and loved everything and viewed the world in a different way. Momma you will always hold a place in my heart that can't never be replaced I will miss the 2 in the morning pop ups out of no where yelling out my name down the hallway in a load whisper. I will miss miss you cooking everything in the kitchen for one big meal and leaving the kitchen a wreck. I'ma miss getting your phone calls to me and your voicemails 'Holly call me " momma I'ma miss every time we went somewhere together it was going to be a adventure. I'ma miss all the beautiful plants you would bring me and all the things you have taught me over the past few years of being so close to you. Mom I hope your smiling down on me and lead me to the destination I'm supposed to be going and help me be more patient where I need to be. Mom /GIGi you outlaw you finally ran home. Olivia and I love you
