“ I'm so sorry to hear of Buds passing. He was a very sweet and gentle man. Gerry and I always enjoyed him coming to stay with us for 2 or 3 weeks at a time. After Gerry passed in 2002 Bud and I kept in touch for a few years. I'm sorry I lost track of everyone. I lost part of my heart and soul when Gerry died and it was very hard for me for along time. Bubba, if you see this call me please. I would love to hear from you. 940-453-3771. RIP Bud.

“ I send my deepest condolences to you and your family. Bud was a good friend of mine. He and I worked together when he was a supervisor. He also was one of three supervisors that showed up at my dad's funeral. I know in "his" heart he meant every part of being at the funeral.  
Sincerely, Ron Foret

“ Bud was my favorite cousin, we were born in the same year, I was born in Price and even though we lived in Highlands we saw each other quite often. Bud was so much fun to be around and he was very smart. Judy and I loved Bud and always enjoyed his company.

“ The Altom family was a big part of my childhood and growing up in the "oil field" in Price, Texas (Carlisle). I jitterbugged many, many times with Bud. He was 7 years older but I remember him so well. I am sorry to hear about his passing.

“ We always looked forward to visits with our cousins, and I just remember Bud being sooo tall. As a little one, looking up at him, I had never seen anyone so tall.. He always had a kindly affectionate attitude toward me and Sherry. And he came to visit me one time when I lived in Garland. He was a good man and a blessing to all, and I am very sorry for your loss, but I know you are comforted by the Holy Spirit, and he is in the Everlasting Arms.
