“ Larry and I were so sad to hear of Gerald's passing. Larry thought so much of Hippie. Although time had come between them, the friendship between them remained a treasured gift. Larry will always consider him a cherished best friend. They shared a common interest in hogs and their work in the oil field. Gerald was in our wedding at the beginning of mine and Larry's life together. At the ending of his, we send our love, prayers, condolences, and sincere sentiments of sadness at his passing. Barbara Ann and the girls, we send our deepest regards. Jan Marie and Larry Gibbs
