Alleesa, Missy, and Trey,

In times like these it is most difficult for anyone to go through. Having recently just gone through this, a bit of comfort for you is that there is no more pain and no more tears. She is at peace now and with God. It was an honor to take care of Ms. Tege during her time here. She left behind a legacy that will forever stand the test of time.

I know God is with you all during this time and that is something to take comfort in.

Here is something I wrote for my mom when she passed that I'd thought you all might take comfort in.

*"Memories unfold as we think of you,
A real mom, through and through,
You suffered in silence everyday,
An illness that would not go away,
Now you have no more pain and no more tears
For God's loving arms hold you near."*

Your Mom was a neat lady to be around and will be missed by many. The times that I have been to ya'lls house, she made me fell like one of the family (a good feeling) that I will not forget. God be with you and your family at times like these. Rest is piece "Tege"

“ There will NEVER be another "Tege Hacker" and she and I have had so many laughs and memories about "our" kids (Lex and Trey) over the years. I'll miss visiting with her at the grocery store because we could never seem to catch up on everything. It always made my day to spend time with Tege and I'm so sorry for the family's loss of a very special woman and friend. Thinking about you during this sad time in life.
