“ *My heart is saddened to hear of the loss of Gladys. I have such fond memories of her, and also of Al. We lost a wonderful Christian lady and heaven gained another saint. She is rejoicing in Heaven with Al and all those who have gone before us. The video tribute brought tears to my eyes remembering wonderful memories at your home on Ragley Street. My prayers are with your family during this difficult time.*

“ Gladys and Al were two of our "mentors" when John and I joined First Baptist Church in 1976. It wasn't long before they asked us to be teachers with them in the College Career Department that met on the second floor of Citizens National Bank. We learned so much from the two of them. Not only did they talk the talk, they walked the walk. They would open their home to have dinners for those college kids, and the food and hospitality were both wonderful! She made the best rolls! It is so wonderful to know that she has once again joined Al in praising her Lord!

“ Gladys and I did so much work on our Wylie family. She loved genealogy. She first found guardian papers for Anne McFadden Wylie while visiting Martha in SC. Then we attended a Wylie family reunion outside Corsicana. She was the one that encouraged me to put together a book on the Wylies. We shared many other meetings, emails, and phone calls. I will miss her encouragement. My thoughts and prayers are with all of you.

“ *I am so sorry that I won't be able to attend Gladys's services. She was such a special lady and how she took care of you girls--- Remember the days when she sewed for you all ? What she couldn't squeeze in, I helped her with and it seemed I always had a stack of things from her.  
You girls and Joe are so blessed to have had the wonderful parents you had. I will miss her tremendously.*
