“ Beth, I have sweet memories of spending time at your house when we were girls. Your mother always made me feel welcomed. It seemed to me that as Mimi got older, I just could not imagine my life without her. She seemed to direct my path even though we had traded places and then I cared for her like she was my child and I was her Parent. I do remember those hard but yet precious years with Mimi. Try to hold on to the sweet good times rather than her hurting times. Cling to the old song "Precious Memories". Hold them close when you need a hug. Just give me a call and we can share anytime. Love you, Ruth

“ Dear Beth, I'm sorry I did not have the opportunity to meet your mother. We have been friends for 40 years and you have brought passion, a sense of priority, sense of humor, sound judgement, warmth and a caring nature into the relationship. I can only assume many of these fine qualities were handed down from your dear Mother. She lived such a long incredible life surrounded by loved ones and now she is with her heavenly father at peace. I love you Bethy.

“ I know she (MawMaw) is in heaven and is rejoicing with the Lord. She was the best grandmother a child could ask for...and really was more like a mother to me. I loved her dearly. At least we know she is at peace and with family and friends. I love you MawMaw.

“ Dear Beth and Art, Gladys was such a kind and beautiful person. We so enjoyed having afternoon coffees and delightful lunches with her in your home. I am so thankful I got that last visit with her in the hospital. She knew you and Art were by her side through every stage of her illness and we all all so very grateful to our Lord that she understood that you and Art were taking her "home" to Henderson. Our thoughts and prayers are with you and your family Love to all, Jean and Norma

“ Beth, so sorry of the passing of your Mom. The scripture says in 2Corinthians 5:8, "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord." We know your Mom, Mrs. Phillips, has reached her ultimate goal and is resting in eternal peace today. God bless you and your family. I love you, Gwen

“ Beth, I am so sorry for your loss of your sweet mother. I remember all the good times at your house in junior high and high school and your mother preparing spaghetti and meatballs for us. I LOVED her spaghetti and every time I came over she would cook a big ole pot for us. Your mom knew to the end that YOU were there for her. I just remember her smiling at us when she thought we weren't looking and us having a good time together.
