“ Rev Ketchum and Sister Ketchum were friends of my Mama, Sally Hampton, and my Aunt Louise Grant. They both were wonderful people. They visited my Mama every Sunday while she was in Autumn Leaves. Rev always prayed for her, and they were so kind. They were workers for Jesus Christ and lived their faith. So glad I knew them. K. Trammell

“ The Ketchum's were a delight in the Henderson community. I waited on them from the old Brookshires to Family Dollar in the 1990's. The scripture says to let your light shine, that they will know you by your works....true disciples of Christ. Well done was spoken so clearly to this couple, now they can rest.
