“ Mike: We can talk to God any place, any time. In fact, he wants us to come to Him about everything in our life, he wants to hear about our joys, as well as our pain and hurt. He listens to us no matter what we tell Him. God doesn't expect us to be strong all the time. He knows we're weak, and when we are weak, he's strong. He's right beside us, holding us up and guiding us. God bless you and your family and give the hope and guidance you need in these moments.
