“ Phil, We share your loss of your Dad. He was a wonderful, helpful, caring man. I still have the sewing machine he sold us in the early 60's or late 50's. He was a talented mechanic on machines. We remember him with much gratitude. You are very much like him. ---a great thing! Our condolences.

“ Phil, Debbie and families, We were so sorry to hear of your dad's passing. Johnny was especially sorry to not have been able to honor him with a fly-by as we are in Florida at the present. May God give you comfort during this sad time, and may you rest secure in the knowledge that your dad is in a much better place. As others have said, he has his own wings now!

“ Dear Deb and Phil: I am so sorry to hear about your dad's passing. He was such a sweet man. I have many fond memories of him from the old HHS days. He took me on my FIRST plane ride (while you, Deb, practiced driving around the air port in my car!) What fun we had. I know he will be missed. Your family is in my thoughts and prayers. God Bless.

“ Debbie & Phil, I read with sorrow of your father's passing. I remember how he and my father would stand around discussing the events of the day when we were at St. Paul's church and how your dad would fly his plane out over our Boy Scout campsite to make sure that we were all okay. He was a wonderful man. Please know that you and your families are in my thoughts and prayers. Mark Morris

“ Dear Phil, Debbie, and family ~I am so sorry about your dad. He was such a fine man who never failed to ask me about my family when I talked to him on many occasions. I had the honor to go flying in his plane with Ronnie Smith and two other friends several years ago and I'm almost certain he and Ronnie are reminiscing right now about their flying days and both are soaring "into the wild blue yonder" together! My thoughts are with you all at this time. (Matthew 5:4)

“ Glen was a true friend. He will be missed by many in our community. My heart goes out to his family (Phil and Debbie - schoolmates of mine) and I want you to know you are in my prayers. While Glen's love of flying was shared with me as a trainee, we were limited by the plane. Now Glen has no limits! He doesn't need engines and metal wings. He has his wings, from God.

“ Belinda and family, Death leaves a heartache no one can heal. Love leaves a memory no one can steal. Our church family chain is broken again but as God calls us home one by one, the chain will link again. Glen will be missed by us all. We have all the sweet memories of the good ole days. May God bless you is our prayer. We love you. Doyle and Linda Benson

“ Dear Belinda and Family, The world lost a great one when "Stanley" went home to be his Lord. Please know that we will miss him but know he is flying through the clouds now on heavenly wings powered by a divine engine. Our prayers have been and will continue to be with you as you grieve.
