“ Dearest Beloved Family of Glynda, What a privilege it was to serve Glynda and her family during their times at Trinity Mother Frances. It was always a joy to visit Glynda and see the love of her sisters and mother – taking turns watching over her. I’m now in The Woodlands, TX... but I was praying for your family today – and was prompted to look for an obituary – I am very saddened by your loss. Know that you are on my heart and in my prayers during this painful time. Your sister in Christ, Sandy Green, Chaplain

Dear Sandy, We ask for you when Glynda was admitted to the hospital. They told us that you had moved to The Woodlands. Thank you so much for your love and prayers, we felt them from the first time we met! I would love to talk to you and please keep Glynda's boys in your heart and prayers. Love forever, Kay Bateman

“ I have many sweet memories of Glynda and Gary from softball days. They would do anything for anyone. Our family got first hand experience of this when they organized and worked a benefit softball tournament to financially help the 5 families involved in the wreck. It's sad that Glyndas life was cut short but we all benefited from knowing her. To her boys...you are her legacy. Live your life and make her proud. Be there for your dad...he's going to need y'all's support. *Becky Massengale*
