“ *I loved Mrs Glynda Williams. I met her when David and I first married. She was always so kind to me. We sat in church with them in the congregation of our best friends at Gun Springs. JM & Rita Wallace and Family went there. JM's Mother was a Williams. There are many Williams buried at Waldron Cem In Panola County.. my maternal grand parents are buried there also. Our deepest sympathies to all of her family. May God bring you much comfort in the days ahead.*

“ *String, I am so saddened to read of Glynda's passing. My love and prayers go out to you and your family. I will never forget the fishing trips to Canada that you and the guys went on, and how gracious Glynda was to host the fish fry when you all returned. Even when there were no more trips, she hosted numerous dinners for the group. I remember her as a very sweet and giving individual. And, String, although I live in Azle now, if you need anything, just let me know. You know how recently I was in the same situation. God Bless!*
