“ Grace was such a sweet lady. I remember she and Roy and the great times they shared with my grandparents. She was witty, hysterically funny without trying, and had a delightful amount of sass. I am so sorry for your loss but happy she and Roy are together once again.

“ I was always amazed by Mrs. Cagle , especially when it was summer and she still had a cup of coffee in her hand sitting outside. Her and Mr.Roy were good people. It's been 35 years since I've lived in New London. But I do still call it home. Didn't live to far from them either. I'm Richard and Bernice Utzmans daughter Janet. Love the Cagles.. prayers for the family..
