“ *What a great man. My dad, Avery Partin, introduced me to Mr. GREGORY, that is what I've always known him to be. When my dad was dying with cancer he told me to call him to help me take care of whatever I needed at our house. AND. HE DID. His boys were often with him and he was so proud of them always bragging on them and they so respected their dad. I will miss him so much, my heart goes out to his beautiful family. Rest in peace my sweet, always happy and smiling friend.*
