“ *I am so thankful for the privilege and opportunity to be a part of her journey this last year and a half. Sharing God and singing the old Hymns that she loved. Aunt Gwen had a beautiful spirit of God and could make you laugh and see His love in her smile and the glow in her eyes. I will miss her and so glad she made a difference in my life.* ”

I worked with and was friends with Gwen at the Potter Law Firm many years ago. Every day she wore a smile on her face and had a good and kind word to say. She loved the Lord and loved her family. I was and am blessed to have known her. Much love to the family.

We were neighbors years ago when you were a little boy, Kent. Gwen was always so sweet and we had many good times together. She taught me to make grilled peanut butter and jelly sandwiches. My sincerest sympathy to you and the rest of the family.
