“ *Gwen is my forever friend! We have known each other since the 6th grade & although the choices we made in life took us in different directions, we never lost the love & friendship we had for each other. We didn't have to talk to each other everyday, but somehow, someway...when we needed each other, one of us would pick up the phone & we never skipped a beat! I appreciate & cherish the time we got to spend together & feel very blessed to have know her as long as I did. Gwen, thank you for being a true friend & know that you are in our hearts forever! Love & miss you!*

“ I don't know the words to express our sadness at the loss of Gwenie. Such a shock that she has gone home so soon. She was a beautiful person and we loved her dearly. Indiana will never be the same for us. We will miss her until we meet again, for this life will surely not be the same without her.

“ Jeremy,

I only worked with your mother for a short while but she quickly became a part of our family here. I read a saying once that said "It's so hard to forget someone who gave you so much to remember". That saying epitomizes your mom. And she always talked about you. You were the apple of her eye. Never forget that she loved you unconditionally. She will be truly missed.
