“ Gary, your family moved before I ever really got to know you very well, but I remember your mother, dad and Debbie really well. Debbie, Tammy and my son Brent were really close in age so that is how I became really close with your mother. I always thought they were such wonderful people, when your mother was going through cosmetology school, I would allow her to do any number of things to my hair, I am sure I was not the only one, but I had all colors, all lengths, and all styles. Looking back at some of my pictures I can't believe I allowed it, but for Mary I was willing to oblige. Looking at the video I wish I could have known your dad in later years, he was always pretty busy in the years they lived in Tahoka working at Lytegar. I also knew your grandparents (both sets). Your dad's mom and dad lived just up the street from me at one time. Such nice people. Well I didn't mean to just go on and on but I do want you to know that I am very sorry for all the loss you have experienced, I know it must be a very sad time for you, and I am thinking of you and your little family. Love Teri Lee (McKibben), I was Joe's wife.

“ Kathy,

I know we haven't seen each other in years, and I ran into you just before Christmas at Bealls. I am so sorry you are going thru this and I know your heart is crushed. WE love you and always have thought of you as a second mother to us, from the days at the Brick Plant, you and I have laughed till we cried, cried till we laughed, and we had a great 7 yrs that I was blessed to be able to work with you. Our deepest sympathies to you and your entire family thru this difficult time. Our Father in Heaven has ransomed his child to come home, his chains are gone and he has been set free, to an everlasting life with his Lord and Savior.

If ever you need anything we are here.

*Love In Christ

“ Nubbin was such a bright light at the Bar None Cowboy Church! Always there early to distribute hugs and welcomes to everybody! It was a joy and priveledge to get to know him while working together in the concession stand. He always worked the soda machine and made the tea. We will miss seeing his sweet face there! If God has "greeters" in heaven, I'm sure he will be there as the rest of us come in!

I started to school with Harold and we graduated together twelve years later. He was always a kind and gentle person and I can see from the comments of those who knew him later, he didn't change, just brought smiles and good feelings to others through the the years.
