George & Wynona, we are so sorry to hear about our sweet Aunt Hazie. We've been so blessed to have had so many wonderful memories with her. She was a wonderful lady and we loved her dearly. Our hearts are broken that we were not able to attend her services, for we just found out of her passing. Kind regards, Lisa, Kelly & Kathy

*Hello George Donald ,
my name is Twyla , you may remember me as Jackie... we knew each other so many years ago when we were both just kids. I was 17, you around 15 if my memory serves me well. Originally from Arkansas, I now live in Newport Beach, Ca... I was the girl with your uncle Bobby... in my minds eye ... it is crystal clear. I talked to your mom a couple years before she passed, after many years of being absent and she remembered me immediately. I told her to mention the call to you and I trust she did. We talked about so many things that I recall and have thought of as the years passed, but I never forgot the family that lived next to Big Mama and Papa... "Shipps," between Big Mama's house and the house where you were raised. I also remember you riding on a small horse "patches" behind the house of Big Mama's ... always wanted to come out there and ride with you. Remember Papa and his cigars? He smoked cigars.*

Please let me say , I am so sorry for the loss of your mom... I never forgot her... or the family. They were my extended family. I remember your uncle, LR... and your Mom's sister , Annette, she visited Big Mama & I was there... she lived in Galveston at the time.

What would be nice is to have a photo if possible, you could attach it on the computer and I would save it. Just a small request, but you decide. I will respect that.

Hazel told me you had built a home where the Shipps house use to be. So you are still on the home property in Henderson.

I just wanted to make this small connection and slip back to the past ... which was a happy time in my life... Your family and mine was a part of that happening. Twyla Dyer " Jackie "
