“ *Mr. and Mrs. Duran,
I am so terribly sorry. My grandsons are Trae and Trent Everitt and I got to know and be friends with Hector through them. Hector has been at their house and mine so many times through the years. He has eaten many meals at our house. Every time he ate, he never failed to take his plate from the table and offer to help with the clean up. He was always so respectful and polite. Always smiling and laughing. I especially loved to hear him talk to you (mom) on the phone. He would say "yes ma'am, Yes ma'am" to what ever you were telling him, and he wasn't rolling his eyes. He never left with our house without telling me that he loved me. You both did a wonderful job raising him. My hearts breaks for you all. I will pray that God will carry you through this time and for ever.*
