“ To Helen’s family I am so sorry for your loss! I will miss the calls from your mama. I wasn’t able to reach her this morning so discovered that she had passed away. She always called to check on my mom and dad(Cecil and Letha Sonnenfelt) when they weren’t doing well and continued her calls to me after they passed away in 2017. What a precious lady she was. I was so blessed by her calls. My sincere sympathy to all of you. —Diane Shaver

“ What a wonderful, Christian woman Helen was to work for. She was the most kindness and loving lady. Nothing like having a break setting and having coffee with her and Clifford. I miss her so much when she moved, but did get to stop by and visit coming back from Galveston. No one could make those apple or peach pies like her. She taught me how to make a easy way to make Chicken Enchiladas. Still making them to this day. You are remarkable Helen and will always hold a place in my hear. REP you are home with your sisters and Clifford now.

“ What a wonderful person. Having delivered her mail for many years I got to see your shining face regularly. My best memory was the smell of dinner or lunch everyday! On several occasions she made me pecan pies. What a blessing. Condolences.

“ *Aunt Honey, thank you for always welcoming my family at your house in the country under the pine trees when I was growing up. I have many loving memories of spending time with you. It is comforting to think of you having a good visit with your sisters and other family members who have already passed, but you will be missed. Your impact in the lives of those surrounding you was greater than you ever knew.*

“ Helen was a great Christian lady. After Clifford died and she moved out of town, she was so faithful to call and check on all the family. To me she was a special lady--what a wonderful example.

She was the last of the "Young Family". Now, they are all gone.
