“ I had the privilege to work with Bud at Limestone Medical Center for 16 years, many nights and weekends of call together. Over many cups of coffee we shared laughs, life experiences, sports, family, and our faith. I will miss him. After he retired he would come back to visit. At the end of each visit he would say I love you guy, and I would say I love you too, Bud. Rest in peace my friend, I'll see you in the morning.

“ Worked with Bud at Henderson Memorial Hospital for 3 years when I was just a teenager. We had so many laughs. Sometimes I wanted to knock him in the head...LOL...He loved giving me a hard time. He was quite a character and a lot of fun. So sorry to hear about his passing.

“ (Note: I sent a note yesterday but it never has shown up on this list-- forgive me if I repeat myself since I don't know if my note was sent.) I knew him as Buddy during our high school years in Corsicana, the early 50s. For several of these years 4 of us were best friends: Buddy, David, "Demp", and myself. I remember him as a truly dear friend, and I know your loss is profound. Over the last 50 years we kept in touch but then lost touch, and I had no idea he was so ill. I send my love and thoughts to you for a the passing of a wonderful man.

On the lighter side of life, during our high school years the 4 of us saw each other weekly and they almost always came to my house. Many of the kids our age got together there. Buddy was notable for falling asleep. Often someone would ask, "Where is Buddy?" And someone would say he's sleeping under the piano or on the stairs.

“ So sorry to hear about my high school classmate, and good friend for these past sixty years.

We had a great time playing in the band together, double dating together, and just enjoy being young in those fifties.

Such a tragedy in his end days, we will pray that the Lord will continue to be with his family, and Bud to be with the Lord.

“ My husband and I are also members of First Baptist Church of Hewitt where my husband also attends the Tuesday night Men's Group. I had the joy of a very long visit with Bud in the hospital cafeteria where we were both visiting a fellow friend's family during his surgery. I am very thankful to have had that visit because up until that time neither he nor I knew each other - and I came away from it with a very strong admiration for this new friend! We will miss seeing him sit in "his special pew" at FBC!

“ *Bud was a dear, dear friend and I was his SS teacher. He will be missed in SS and in our Tues night Men's Group. Bud was a strong encouragement to me after my 2nd open heart surgery, when I lost my voice for 7 months. He saw to it I had a microphone to whisper in so I could resume teaching. Bud was teasingly gruff at times, but he was loved by all. Lisa, you and family are in our prayers.*

BUD, Christian Brother and close friend, I attended the Baylor Boys basketball game Sunday without you. Missed you terribly. Really enjoyed our friendship and time spent with you attending so many of the Baylor Girls games last season; our work together in Wednesday night church meals; our Baptist Ministry Men's "Slackers" Group; and John Hill's Shepherd Sunday School Class. Ginny and I are most grateful for your friendship and Christian brotherly Love. Leon Dobbs
