“ In all of the Obituary information, something that connected my heart and love to Allen. He came to Wal-Mart with interesting previous employment. I hired him for the VISION CENTER. What a wonderful friendship and Employee he turned out to be. Not only did he learn how to be an OPTICIAN, but a life time friend. Even though we have not had many years of friendship, We had talked often and shared

“ I went to school with his Mom and would like to tell her I am sorry for her loss. She was such a beautiful girl back in our day. I've not seen her since she finished school at Carlisle.

“ I remember a big-eyed baby with a head full of black hair -- and oh, how I loved him. I lived with them for a couple of years so that I could keep him at night while his mom worked nights at the hospital. I always felt he was as much mine as he was hers. When I received the call, my heart broke, because he should have had more life to live. He loved his children dearly, and his mother was everything to him. Allen, rest in peace -- Aunt Dorothy”
